## Support the GSBC Building Fund

---

Eight years ago God began to burden our hearts greatly for the Great Commission. We understood that the Lord was calling us to go into all the world, but we also agreed that the we must start in our own hometown. As we continued to pray the Lord gave us a vision for reaching families. In the past eight years God has reached many families in our community through the ministries of GSBC. However, our current facilities have hindered some potential ministries. The Lord has now opened the door for us to move forward with a new family life center. This facility will be instrumental in enabling further ministries for families. Our vision and purpose in all this is to see men, women, boys and girls come to a saving relationship with Jesus Christ and to grow in Him.
